GARLIC & ROSES

By DAFFY DILL

And now do you still think that every time it rains, it rains, pen- nies from heaven? If you still do after the past week, fine. Now you can forget this and concentrate on the not far away finals. Any thing else I can do to make you feel happy and cheerful, children?

Perhaps it is a hangover from Christmas and New Year's. Then, again, it may be just an anticipation of the fourth of July. At least this business of being reckless with fireworks seems to be getting some of the gals over at West very, very much on the well worn green carpet. According to our best "info," three nights in a row to the tune of popping fire crackers and what not is the cause of frowns from the management at the institution.

Shifts that pass in the night: The position of "Hangup" Chamberlain's nose.

Just the gentle shepherds tending to their flocks . . . which may or may not be the best of terms to describe those chevaliers of industry. Bill Oates and Clay Slate. Methinks that semester hours should be given to these most industrious of lads who spent their time in sober meditation, alone with the goats until nearly 2:00 a. m. last Thursday night. Does this by any chance come under the head of animal husbandry, or did you ever husband a bunch of animals anyway?

Even now that football season is over, Joe Cook can't seem to stop titting that line. The above statement is correct if you could by any stretch of imagination consider the floor of the skating rink a line. Unless we are very much misled in the matter, Joe's performance as an eight wheeled vehicle resulted in more ups and downs than an elevator boy in the Empire State building.

Example of love in bloom: Joe Bell De Shon and Brent Logan. Incidentally, what the heck is this face . . . a college or a matrimonial bureau? If you think it has a resemblance of the latter, read our papers.

And while we are on the subject of romance, et al, why not mention this copy, which up to date has so many x's in it that the linotype is likely to mistake my errors for typing for symbols indicating love and kisses.

The Neate-Issac affair, ho-hum, seems to be getting around to normal again. Which brings up the thought that Issac, Threlkeld and Mary Davis make a really lovely when going down the hill in state, as on the date of Tuesday, January the 12th. But, by all means, let's get all problems cleared up. Rascals, that freshman cheer leader suggested that this should spread her ears and then what should happen but a son on the part of Miss Davis accompanied by the words, "What at this?"

Let us forget: Our friend Bob, in the "Brink" of acquiring a nickname, "Twee-tums," to be it. If any one in this vast audience should happen to feel that name is not appropriate to denote a man of Brink's talents and accomplishments, don't blame it on me. The name was given to him that girl friend of his out in Groves, Mo. Ad Infinitum: is the enterprising landlady keeps the porch light on when

RIHANI WILL LECTURE AT WESTERN MARCH 18

Western is scheduled for a visit from Ameen Rihani, Syrian traveler and literature, on March 18 and 19.

Mr. Rihani is to visit Western under the auspices of the Institute of International Education. Mr. Rihani is now in Palestine. He is to visit Rome and Geneva before coming to the United States.

WESTERN STUDENTS REGISTER FEB. 1

Upperclassmen Will Register on Jan. 30, Classes Start Feb. 2

The second or "spring" semester at Western will begin February 1, 1937 when freshmen and sophomores are expected to register, although tentative arrangements reveal that the Juniors and Seniors are expected to register on Saturday, January 30. As usual the registration will be held in the Physical Education building.

Registrar E. H. Canon is expecting many more students to enroll during the second 18 weeks of the 1936-37 school year. Teachers who have two years of college work and who plan to finish two more will probably enroll for the second semester because of the change in the two-year adjustment plan which will terminate on September 1, 1937.

The calendar for spring semester work during the eighteen weeks is: Beginning on Monday, February 1, registration for spring semester; Tuesday, classwork begins; Monday, February 8, last day to register for maximum credit; Tuesday, February 23, last day to register for credit. The mid-semester including 9 weeks, begins on Monday, April 5, 1937. On Tuesday, April 6, classwork begins. Wednesday, April 7, is the last day to register for maximum credit and Monday, April 12, is the last day to register for credit.

Incidental fees for the spring semester, both 18 and 9 weeks remain the same \$25 for 18 weeks, \$12.50 for nine weeks. Tuition for residents of Kentucky is free while tuition for non-residents of Kentucky is \$15 for the full semester and \$9 for nine weeks.

Many distinct departments with more than 350 courses are offered including such departments and divisions as Ogden Department of Science, which has been supported and pushed forward to a greater extent, art, chemistry, commerce, economics, education, English, modern languages, geography, hygiene, Latin, mathematics, Industrial Arts, music, physical education, physics, political science, public speaking, sociology, etc.

WESTERN SOCIAL GROUP PLANS DANCE TOMORROW

The Social Committee of Western Teachers College, headed by Dr. W. R. Spiegel, will give one of its regular school dances in the Western gymnasium tomorrow evening. Tickets are available at the bursar's office.

Admission for students will be by social card with non-students being admitted by special invitation.

Chaperones will be Miss Adeline Church, Miss Mabel Rudisell, Mr. and Mrs. W. J. Craig, Professor J. Reid Sterrett and Dr. Clarence P. Denman.

Class Meetings At 4:15

Announcement has been made that all Western class organizations will meet today in the last meetings of the current semester. All students are urged to attend.

Freshman Coach

Coach Edgar A. Stansbury will present the baby Hilltoppers in their initial home net contest of the season on Saturday evening against the Russellville Independents.

The contest will precede the Western-Louisville clash and is slated for 7:00 p. m.

WESTERN BEATS MID-TENN. 48-28

Western displayed a smooth passing and shooting team last night to defeat the Middle Tennessee Teachers' five 48 to 28 in the latter's first S. I. A. A. combat.

The Hilltoppers took an early lead, moved ahead to an 18-10 margin at the half and pushed out of sight in the early minutes of the second period.

The battle was marked by rough play throughout, three of the Tennessee players and one Kentucky man going out for exceeding the personal foul limit.

In a preliminary game, the Middle Tennessee Yearlings tipped the Western freshmen 35-32 in a close and hard fought game.

Hilltoppers To Play First Home Game Sat. Night

Diddle's Men Seeking K. I. A. C. Win at Louisville's Expense; Frosh Play Russellville Independents in Preliminary Tilt at 7:00 P. M.

Western's students and fans will get their first glimpse of the Reed-Captained, Diddle-Coached, Red and Grey basketballers on Saturday evening at 8 o'clock.

Previous to last night, when the Westerners invaded the Middle Tennessee stronghold, the Hilltoppers had chalked up three consecutive wins from college foes, all on enemy courts.

WESTERN FANS MAY 'RESERVE SEATS'

Initial Tryout of Reserve Seats Announced by "Swede" Anderson

Season tickets for the Western Teachers College 1937 home basketball games were placed on sale the first of this week at the bursar's office in the administration building and at various downtown locations.

A reserved seating arrangement will be inaugurated at the Western gym for the first time this season, and purchasers of the season ducats will be assured of a good location for each game. The reserved seat plan is being worked out by Athletic Director Swede Anderson and other physical education department officials, and the system will be ready for use for the first home game Saturday night, when Western tackles University of Louisville.

The reserve section of the gym will be on the southeast side, next to State street, and the student section and general admission section will be on the northwest side of the gym, next to the football field.

Reserve seat tickets will also be sold for single games for a small amount more than the general admission price, which will be the same as in the past few years.

Coach Anderson also said that the season tickets would be good for the five freshmen home games in addition to the eight varsity games.

QUILLIAN URGES ALL SENIORS TO ATTEND TODAY'S CLASS MEET

Mildred Quillian, president of the Western Senior Class, urges that all seniors be present at the last class meeting of the semester this afternoon at 4:15 in the Little Theatre.

Mr. Quillian states that important business will be taken up at this meeting and terms it as "the most important Senior Class meet of the semester."

Dr. Earl Moore, sponsor of the class will be in attendance.

MRS. LEIPER HONORS NEWLY WED KLEIDERERS

Mrs. Macon A. Leiper entertained at dinner last night in honor of Mr. and Mrs. Charles W. Kleiderer.

Mr. and Mrs. Kleiderer were married on December 17, 1936 at the home of the Rev. J. R. Ireland.

Mrs. Kleiderer was formerly Wilma Talbott, daughter of Mr. and Mrs. Myles W. Talbott, of Mt. Vernon, Ill.

Mr. Kleiderer is the son of Mr. and Mrs. Louis Kleiderer, of Henderson, Ky.

Covers were laid for Mr. and Mrs. Kleiderer, Dr. H. H. Cherry, Misses Harriet Livingston, Juanita Hodges, Messrs. Douglas Osborne, Lester Brock, and Mrs. Leiper.

Coach Diddle is hard to please this season and has been drilling his charges extensively between games in an effort to produce that polished teamwork so apparent in other Western combines of recent years which have won state and SIAA honors.

Harry Saddler, a sophomore, has shown promise of developing into Western's most brilliant star to date, and is almost certain to draw down a forward berth where he will be Captain Max Reed's running mate. Coach Diddle is not afflicted with "center" worries this season as "Red" McCrocklin, S. I. A. A. center who won his 1936 laurels on tip-off and rebound taking ability, has shown, in addition to these talents, unexpected offensive power in Western's early games and is expected to continue at the same pace.

The only guard trouble confronting "Uncle Ed" is which ones to start. The usual starters are Alternates-Captain Carl Lamar and Ralph Dudgeon, both southpaws. Thus far, however, J. C. Batsel and Wilson Stemm, a sophomore, have shown considerable resentment as to the starting guard choices and whenever an opportunity presents itself they "deliver the bacon."

In case any of the above men are injured Coach Diddle has Jesse Roland, promising sophomore, who is proficient at both forward and the center posts.

Western's foes, the Louisville Cardinals, have lost four close K. I.

NEW COLLEGE BLDG. WORK ADVANCING

East Wing Stone Work Construction Is Practically Completed

The stone work construction of the east wing of the new classroom and laboratory building at Western Teachers College has practically been completed, and work of pouring the concrete for the wing has been started.

Concrete has been poured for the third floor of the main or front wing of the new building and the west wing, both of which will be three stories in height. The east wing is of two story construction. Work on construction of the third story of the front and west wings of the building will be started following the covering of the east wing.

Reports circulating to the effect that work on the building is being retarded because of the inability to obtain steel for the construction are groundless, according to a statement by a Struck Company official yesterday. He stated that all steel necessary in the structure was already on the site.

The building is scheduled to be completed in time for the first summer term at Western, if weather conditions are favorable, but in the event of unfavorable conditions completion will be delayed until July.

HILLTOPPERS TO PLAY FIRST HOME GAME SAT.

(Continued from Page One)

A. C. tilts to date and are due, by the law of averages, to "be hot" when the opening whistle opens the home season for the Toppers. Louisville has twice beaten Hanover by comfortable margins.

A choice preliminary will be unfolded at 7 o'clock when the Western Frosh will engage the strong Russellville Independents. At press-time Coach Stansbury was undecided as to his starting line-up and stated that he would work as many players as possible in the game played last night in an effort to determine the ability of his charges under fire.

Western's first game of next week will be played on Wednesday evening in the Western Gym when the

freshmen and varsity are scheduled for return engagements with the Middle Tennessee team coached by Red Floyd. The M. T. N. varsity recently dropped a nine-point decision to the powerful Vanderbilt Commodore five.

Season tickets are on sale at Miss Schneider's office. Students, as usual, will be admitted at reduced prices and should sit on the side of the gym which faces the stadium.

DR. WILSON TO TEACH STATE ST. COLLEGIANS

As usual, the plan of changing teachers every quarter will be practiced again this year by the State Street Methodist College Class.

Dr. Gordon Wilson, head of the Western English Department, has been chosen to teach this group for the next three months. Last year's students have not forgotten Dr. Wilson's lessons and they urge new students to join them at the State Street Methodist Church every Sunday morning at 9:30 to hear Dr. Wilson.

Industrial Arts Courses

New courses in art metal, book-binding, and ornamental cementing are being offered this semester by the industrial arts department of North Dakota State College.

W. G. LUKES GETS RUSSELLVILLE JOB

Popular Western Student Replaces Sisk Who Goes to B. G. Hi

Ben Logan Sisk, who is to enter upon his duties here about February 1 as band director at the Bowling Green High School, is to be succeeded at the Russellville High School by William George Lukes, Wellington, N. J., who is completing a course of study at Western Teachers College.

Sisk is to come to Bowling Green as successor to Clifton Simpson, who resigned his position here to accept the place as band director at the Owensboro High School. Mr. Simpson left Bowling Green at the end of the pre-Christmas school session. Substitute teachers are serving at the Bowling Green High School until Mr. Sisk is relieved by Mr. Lukes at the end of the present semester at Western.

Employment of Sisk as a member of the local faculty was formally approved by the City Board of Education in regular session this evening at the College Street School.

TWO BGBU STUDENTS ANNOUNCE MARRIAGE

On Sunday, January 10, the announcement of the marriage of Madelyn Batson, daughter of Mr. and Mrs. H. N. Batson of this city, to Frank C. Drake, Jr., son of Patrolman and Mrs. Frank C. Drake. The marriage took place on November 28, 1936, at Columbia, Missouri.

Mr. and Mrs. Drake are students at the Bowling Green Business University where the former Miss Batson was chosen beauty queen.

ALLEN ALTMAN, FORMER PROWLER, ACCEPTS JOB

Allen Altman, the prowler of "Here and There" of the second semester and summer term of the 1935-36 school year recently left for Kingsport, Tenn., where he has accepted a job with the Pet Dairy Products Corporation, as stenographer-bookkeeper.

Mr. Altman was accompanied by his wife, the former Miss Isabelle Ro's.

Both Mr. and Mrs. Altman are former Business University students.

JUNE COMMENCEMENT SPEAKER AT WESTERN IS NAMED BY SCHOOL

Western's candidates for A. B. and B. S. degrees in June will be especially fortunate this year in that the distinguished Rollo Walter Brown, author and lecturer of national renown, has been chosen to be commencement speaker for the June exercises.

Mr. Brown is a native of Ohio and was educated in the Middle West and New England. Before he started writing biography and fiction, his volume on Literary Tradition in French Education had already been accepted as authoritative in its field. He is recognized as a pioneer in behalf of the creative spirit in American education. He has lectured throughout the United States. He is author of the following books: "The Firemakers;" "The Hillikin;" "Dean Briggs;" "Lonely Americans;" "The Creative Spirit;" "On Writing the Biography of a Modest Man;" "The Writer's Art;" "By Those Who Have Practiced It;" "How the French Boy Learns to Write."

Harry Saddler, Western soph forward, was "discovered" in an intramural tournament last winter.

WESTERN MARKSMEN OPEN COMPETITION

Western's first competitive rifle match of the 1937 season is to be held Saturday with the University of Dayton and Indiana University.

Master Major Sergeant A. Hanks will be in charge of the match, which will be conducted by mail with scores of the Western team being mailed to the other two competing teams and their scores in turn being mailed to Western officials in order to determine the result of the competitions.

Members of Western's rifle team were selected through a competitive shoot. They are Cadets Sidney Carpenter, B. S. Layson, Phillip J. Noel, and James Brubbs, of Bowling Green; Louis Pride, Madisonville; W. W. Morse, Princeton; Roy Twombly, Gary, Ind.; Robert D. Chenoweth, Franklin; Woodrow Wilson, Caneyville; Gilbert Holbrook, Owensboro; W. A. Payne, Calhoun; Charles F. White, Short Creek; and William K. Stith, Robert J. Rithel, and George Trigg of Henderson.

Following the two matches Saturday, Western will compete in the Corps Area Intercollegiate, February 1 to 21; the Hearst Trophy Match, March 10; and in a match with the University of Kentucky March 20.

When Pete Stevens comes back he is going to find serious competition for that title of champion "Cradie Robber" of the hill. For instance, Jim Thomas at the present is way out in front with the acquisition of the blonde headed Moltenberry gal from the High School. Would Thomas if breached on the subject avow, as did Pete, that, "this is the cutest little cradle I've ever robbed?"

MURRAY IS ACCREDITED BY MUSIC ASSOCIATION

MURRAY, Ky., Jan. 8.—(Special)—Murray State College was fully accredited on Thursday, December 31, as a member of the National Association of Schools of Music, it was reported to the College News this morning by President James H. Richmond and authoritative music department officials.

Prof. Price Doyle, head of the Murray department of music, returned from Chicago on Friday, January 1, where he had been attending the annual meeting of the music association there. The group's activities carried through Monday, Tuesday, Wednesday, and Thursday of last week.

Murray State College for the past year has been a provisional member of the exclusive music unit. The only teachers college in America to hold such membership, Murray State College, officials declare, holds a distinctive place in music representation throughout America.

And You?

A census taker asked the woman at the door:

"How many in your family?"

"Five," she snapped. "Me, the old man, kid, cow and cat."

"And the politics of your family?"

"Mixed. I'm a Republican, the old man's a Democrat, the kid's wet, the cow's dry, and the cat's a populist."

Brink and any of the current dates appear on the porch?

We hereby take time off to won-

der what acts of violence George "Sweet Evening Breeze" Davis will perpetrate now that he finds his name staring at him in print again. We hear that he likes such things not at all. For complete details, refer to "Here and There."

Up in arms: It comes to our notice that Rasnier and Trigg have broken over and taken unto themselves one three-room apartment, which will be christened the "Trasnier (Open) Arms." A lovely domestic life is to be the keynote, with coffee pots, frying pans and grandfather's picture as a background.

We seem utterly unable to get away from the subject of cheerleaders. Betty Davis evidently has no inclination to get away from them, at least as far as our friend Johnny Paradiso is concerned.

Minor interruptions: The thunder from above of the skating rink... the horn blowing on the car just outside the office (no wonder the staff dares ask hornblower what he or she wants, ah, the price of popularity)... the trouble getting a match out of this outfit... the gloom which permeates the atmosphere at the thought of being docked such a huge sum in our salaries on account of the social security act... the ringing of the telephone on the next desk.

The large, yawning cavity you might have noticed wandering around the hill closely followed by Blackburn Stephens, is not the Mammoth Cave, as you may have suspected, but Blackburn's mouth. It is the result of finding that the private who was hopping tables at Fort Knox receives mail from Te Donnelly. Explanation is that the boy writes to Margaret Roemer by the way of Te because of Roemer parental objections.

Atlas: "Sleepy" Fowler did a really fine job of being a "Good Samaritan" by giving Peggy Clark a lift home Tuesday afternoon. "Sleepy" should know that if he keeps this sort of thing up, he will have to buy a taxi license. Or was that promised two-bits just black-mail?

Song and floorshow: The act J. Ortiz put on as crooner extraordinary at that cafe on Broad street in Nashville Friday night.

Quadrangle: Charlie "Late-Date" Stahl and the girl friends. Add thoughts: Which line of the quad was stretched on Saturday night. We will not even mention Nashville to you, Charlie, m'friend.

We fail to entirely understand it, so we pass it on to you: "Lily white skin, with very rosy complexion, doesn't smoke or anything, she is the only pet she has, eyes of blue, auburn hair, extraordinary beautiful." Alleged to be the exact words of one Paul Gwin in describing a girl friend. Now just who wants to write a poem?

Awakened, love's young dream: What two couples very recently had idyls shattered by means of the voice of an irate landlady, who opened the door (don't hurry, here is your hat) flooded the porch with

light and watched the lads depart. Insult to injury by waking the girls up at six in the morning.

Editor's Note: What resolution did Ernie Goodin break on Friday night very shortly after supper? Possible inspiration which contributed to the downfall of that resolution—Cunningham and Stahl.

Blow, breeze, blow: Red Stewart, the Logan county "School marm" was seen in town over the weekend. Company, C. B. Basham.

Woe is we. Deciphering some of the terms in usage around these parts is becoming a task and a half. Here only a day or two ago, Folly Crume was complaining about the younger generation (forget the name of the freshman) who, she stated, "refused to 'squish' (pelling doubtful) her up." And nothing

Judging from the action of Jo Allen Bryant and H. J. McNair, the days of chivalry have not died. The two boys stopped in a local drug store and drank delicious drinks all the while shielding themselves from the outside window. Why not? Alice Hodges and Helen Elrod were waiting without.

Everyone is glad to welcome Bill Brock back to school after he had such a narrow escape during the holidays in an accident. We thought this would slow Brock up but he is now going twice as fast, judging from the two girls he had Friday night, Mildred Gregory and Elnora Hammond.

James Skinner and Mary Clair Welch are now intrigued by each other's company. This broke forth the other night at Regina Murphy's.

Speaking of her party, it was a swell shindig. If you weren't there, you missed something.

I often wonder when Ralph Hunt is going to grow up. Because Regina Davis went to the party with "Buddy" Bailey, Ralph had to show some of his childishness.

Lump sum payment of 17 cents under the old age benefit section of the Social Security Act has been asked by Ernest Ackerman, above, for 33 years a Cleveland street car motorman. Ackerman, 65 years old, on Jan. 2, had worked only New Year's Day under provisions of the act, but, on his wage of \$4.96, he applied for the 3 1/2 per cent share fixed by the law, amounting to 17 cents. Deduction of the federal 5-cent tax would leave Ackerman a net profit of 12 cents.

College Hi Takes Scottsville While High School Loses to Russellville

The College Hi Cardinals took a free scoring contest at Scottsville Tuesday night, 57-35, while the Purples of Bowling Green High suffered their fifth loss of the current campaign, 31-16 at Russellville.

Little defense was displayed in the contest at Scottsville, the game being one of the from one end of the floor to the other kind of affairs, with the local team showing the best basket eye.

All of the College Hi starters, with the exception of Emmick, entered in the scoring columns. Emmick was removed from the game because of an injured hip after he had played only a short while. McGown, with 17 points, was followed by Traylor with 15, Allen 14, and Gaines 6. Massey, Scottsville forward, was high scorer for the Allen team with 11 points.

In a preliminary contest, the Cardinal seconds bested the Scottsville reserves by a 29-10 count.

The Bowling Green Purples, behind only 10-9 at half time in their contest at Russellville, suffered a relapse in the third quarter and failed to register, while the Panthers added seven points. The local team remained in striking distance, however, and at a time in the last period were behind a 21-16 count, but the Russellville outfit spurted for 10 points in the closing minutes of the game.

Kirkpatrick and Moss were top scorers for the winning five with eight points each, while Bill Thomas led the local efforts with five points, followed by Clark and Smith with four points each.

The Purple reserves gained a 14-11 decision over the Russellville seconds in a preliminary contest.

The Smith five engages Hopkinsville on the local floor Friday evening and College Hi meets Munfordville at the Hart county capital.

Teddy Hornback, all K. I. A. C. Western basketball player, coached Dave Lawrence, all American High School forward, while he was at Corinth.

MURRAY IS GLAD SIAA TOURNEY SLATED HERE

An article which may be chosen as a representative opinion of all the colleges in Kentucky appeared in the January 4 issue of the Murray College News:

"Murray basketball fans were of the general opinion that it would aid the Thoroughbreds in defending their SIAA championship now that the tourney will be played in Bowling Green March 4-5-6.

"Those who have played on both floors assert Western has a much better floor and that the goals are better to hit. They also like the seating arrangement.

"Fans were glad that the tournament had been moved for it will enable more to attend the affair."

HUNGER COLLAPSE BRINGS WORK TO CENTRE STUDENT

Dorothy Gamble Is Given Newspaper Job After Hospital Release

SAN FRANCISCO — Dorothy Gamble, 21, former co-ed at Centre College in Danville, Ky., was released from a hospital Saturday and given a job by the San Francisco Chronicle.

The young Kentucky girl, who was treated at the hospital for exhaustion and hunger Saturday night, formerly worked on a newspaper in Cincinnati after studying two years at Centre College.

After treatment at the hospital she was allowed to leave Saturday and the Chronicle offered her a place on its staff, which she accepted.

Miss Gamble told police she came to San Francisco last July and since then had worked at odd jobs. For several weeks she said she had been out of work.

Sent Christmas Cards

DANVILLE, Ky.—Dorothy Gamble, 21, who has been under treatment at a San Francisco hospital, where attendants said she appeared to be suffering from hunger and exhaustion, entered Centre College in the fall of 1934.

She stayed in school a year, records showed, leaving when she accepted a job in Cincinnati.

Former classmates of the girl said several of them received Christmas cards from her written in San Francisco.

KENTUCKY KLUB WILL GIVE DANCE JAN. 22

The Kentucky Klub of the Business University will give their annual dance Friday night, January 22nd. The dance will be held at the Armory between the hours of ten and two; the Red and Grey Orchestra furnishing the music. Serpentine and confetti will be distributed to the couples during the dance and the entire program will be in keeping with the spirit of gaiety that marks the close of the first semester of school.

ALPHA SIG FRATERNITY GIVES SUNDAY BANQUET

The Alpha Sigma Fraternity of the Business University held its monthly banquet in the Colonial Room of the Helm Hotel Sunday night. The banquet was in honor of Curtis E. Guffey who receives his B. S. degree January 22nd.

J. R. Meany, faculty sponsor of the fraternity, gave the address of the evening. In keeping with the occasion, Mr. Meany spoke on "The Opportunities and Openings in the Field of Accountancy."

Dismissal of Glenn Frank, above, as president of the University of Wisconsin, was voted, 8 to 7, by the board of regents after a stormy session that climaxed the long fight of the LaFollette-dominated board against the famed liberal. A student riot followed the ouster.

By the
Prowler

Here we are at bat again and we shall see if we can't hit a few pop-ups your way; no fouls, if you please.

The first thing that struck the eye upon the return from the holidays was the number of diamonds that glistened and scintillated so that it almost became necessary to wear blinders when walking about school. The most noticeable by far is the one that is sported by "Red" Huey.

You all know "Red," she is the one that left us on December 19th with fond farewell; for she was not returning to our midst. What is it that these blond romances have that so far outclasses those of us who fall in the Latin category? All fortune tellers tell you to beware of a dark man—Phooey! Me thinks that I shall have my tresses blondined.

Which reminds me of a choice morsel of scandal that I wish I might pass on to you.

Also flashing diamond rings are "Cuddles" Lyons and Rosalee Greer. If all these stones are Christmas presents, why don't they wear them upon the ring finger of the right hand?

And then there is the one that is worn by Evelyn Jones. No comment is necessary about that. We were wondering when it would get here. Don't make a mistake and take this affair lightly. The fact that Evelyn will sit for hours in lo-

cal hangouts just because Jimmie happened to mention that he would be in the place that night is evidence of the importance placed upon it by Evelyn.

As for Jimmie, he is willing to fight anyone who would attach a stigma to the name of Jones. Witness what occurred last Thursday night to the 240 pound brute who insulted Jones, one of the Harlan Jones, and caused Billy Ford to tie the world record for sprinting from 1120 State to 1143 State. When Jimmie learned of the incident he hurried home and selected one of his mother's best carving knives and tramped the streets into the wee hours looking for the culprit.

Hey, Barnes! Don't look now but Connie Thompson is back in town. Why, Mr. Barnes, no gentleman ever says that about a lady. What? You don't care? Well, in that case, maybe it is permissible.

Some of you may recall this column's scoop of the big kidnapping case that occurred before the holidays. All three of the parties concerned, Mary Miles Clark, "Flash" Radcliff, and George Davis are again in town. Much to my surprise, the only one who approved of my efforts was Radcliff—and I actually sweated over its preparation, too.

The latest developments occurred during the dance Friday night. It seems that two boys from the hill decided that George might be lonesome driving around town in his new car or else they didn't like the interior decorations. Whatever the reason might be, they placed in the car two carnivorous quadrupeds (Felis domestica); said cats being in their second week of decomposition; said decomposition having progressed in fine shape and causing one of the two lads to become nauseated and add a personal touch to the job.

Naturally, when George learns of this, he becomes inquisitive as to who presented him with these gifts. The two boys in question stepped forth and let it be known that "Flash" Radcliff was the one. Davis spent the remainder of the evening walking around the dance floor paging "Flash." Radcliff was not there for whenever Mary Miles is absent from a dance these days he makes it a point not to attend.

The Hagood, Buster, Haneline triangle is definitely a thing of the

past. Hagood has ceased dating Haneline by his own choice.

The knowledge of camouflage displayed by one student of the B. U. in seeking an out from some work he was asked to do convinces me that he has had previous R. O. T. C. training.

Jimmy Smith is giving some one the well-known run around and it seems to be the little lady back in Brandenburg, Mildred Miller. Jimmy was with her during the holidays but he left her suddenly on the pretense of going to Louisville to visit his sister. The visit turned out to be taking Marge Thomas to the Cotillion Dance here in Bowling Green.

Jimmy is finding out, however,

Editor's Note—This column was forced to be discontinued until a composite schedule of all the Kentucky colleges and universities was obtained.

My predictions:
Murray vs. West Tenn., Murray.
Murray vs. Miss. College., Murray.
Murray vs. Delta State, Murray.
Murray vs. Union University, Murray.
Western vs. University of Louisville, Western.
Western vs. Mid Tenn., Western.
Kentucky vs. Michigan State, Kentucky.
Kentucky vs. Akron University, Kentucky.
Centre vs. Union College, Centre.
Centre vs. Kentucky Wesleyan, Centre.
Centre vs. Morehead, Morehead.
Morehead vs. Transylvania, Morehead.
Morehead vs. Louisville, Morehead.
Eastern vs. Georgetown, Eastern.
Eastern vs. Berea, Eastern.
Centre vs. Marshall College, Marshall.
Georgetown vs. Union, Georgetown.
Murray vs. Middle Tenn., Murray.

The above eighteen games are, so says extensive research, the games to be played by Kentucky teams starting today and ending Wednesday night, January 20.

My standing left over from the football season is as follows:

Won	Lost	Tied	Pct.
33	11	3	.728

Western, Eastern, Murray, Morehead and Georgetown all have strong teams and each believes the K. I. A. C. crown as well within its grasp. All things being equal maybe "the home floor idea" will favor Eastern's Maroons, runners up to Western last year.

Earl "Cap" Martin, Western's leading looper last season recently retracted his statement "that married life is the stuff." Seems that "Cap" and his wife had a little misunderstanding. In a talk with the editor "Cap" said—"When your wife gets mad at you it's h—, You gotta go home and face her, but if you're just going with some girl you can dodge her till the rumpus blows over."

Beware, beware . . . Bob "Tweetums" Brink avers that he'll smack any boy and spank any girl calling him by the above supposed nickname. This name was not given him by Martha Ford.

Some of the results of games played within the past week by Kentucky teams are:

Western 39, Howard 23.
Western 48, Sewanee 22.
Georgetown 38, Transylvania 14.
Eastern 23, Centre 22.
Morehead 43, Union 34.
Eastern 31, Wesleyan 30.
Morehead 34, Georgetown 25.
Murray 40, Tenn. Poly 20.
Murray 45, Miss. College 27.
Morehead 35, Kentucky Wesleyan 30.
Union 35, Marshall 56.
Western 40, Berea 25.
Louisville 33, Hanover 24.
Centre 33, Georgetown 39.

Last night's games are not included in this list.

Some of the results of Western's out-of-state opponents' games:
Emory and Henry 41, Sewanee 20.
Tenn. Poly 20, Murray 40.
Vanderbilt 39, Middle Tenn. 12.
Vanderbilt 39, Middle Tenn. 30.
Howard 50, Southwestern (Tenn.) 19.

Western fans are once more telling themselves "that Western can't repeat"—and yet beginning to wonder after the three victories over college foes since Christmas. Exclusive of last night's game, the Hilltoppers have scored 127 points while their opponents collected a total of 70—an average of 40-23. Not bad!

Last year "Red" McCrocklin's services were most needed for con-

trolling the tip-off and taking rebounds. "Red" has already demonstrated that he is out to score this season and will bear watching.

'Tis interesting to note that the Middle Tennessee Raider five includes "Bubber" Murphy and others of the grid crew that wrecked Western's SIAA football hopes during the recent campaign.

Guess we'll all know by now just what the baby Toppers coached by Stansbury have shaped up like. . . . Arthur Gullette, Western backfield ace of '29, will bring his Lindsey-Wilson team here for a frosh game during the season. They recently defeated Centre's frosh by a 42-14 margin.

The KIAC standings, exclusive of last night's games:

	W	L	TP	OP
Eastern	3	0	85	74
Morehead	3	0	112	89
Union	2	0	108	96
Georgetown	2	1	94	76
Centre	2	1	93	84
Ky. Wesleyan	1	3	118	124
Louisville	0	3	88	101
Transy	0	4	89	143

DEADLINE FOR ENTRIES IN TIP TOP'S BRIDGE TOURNEY IS 9 O'CLOCK

The Tip Top Eat Shop, located at Fifteenth and College streets, is scheduled to conduct its annual bridge tournament this week-end. Tournament Manager Chas. Banks has announced that the entry deadline has been extended until 9 o'clock tonight, with the drawing scheduled to take place immediately afterward.

Sixteen teams have entered thus far and several more entries are expected today. Manager Banks states that a phone call to 614 is sufficient for entering.

Spectators are cordially invited to watch the play, which will start Friday night.

COLLEGE COUNCIL MEET IS HELD ON THURSDAY

The Council of the College Young People's Society of the First Presbyterian Church met Thursday evening at seven o'clock at the home of Harold Huffman, 1302 Kentucky street.

A business meeting was held, followed by a social hour during which refreshments were served.

Members of the council are Miss Florence Mutchler, president, Miss Harriet Stickles, secretary, Harold Huffman, treasurer, Miss Hannah Nelson, Miss Elizabeth Sue Harrison, Miss Frances Johnson, Ed Nelson, Ray Smith, Benny Nelson, Billy Ramsey, John Paradiso, William Fuller and the Rev. Dr. George W. Cheek.

Miss Helen Albritton of Waupun, Wis., and Frank Barrett of Joliet, Ill., students at Western Teachers College, presented trumpet selections at the noon meeting of the Rotary Club Wednesday at the Helm Hotel. Miss Albritton was national trumpet champion in 1934 and Mr. Barrett gained the same honor in 1936. Miss Mary Chism also of Western accompanied the entertainers.

PRONOUNCER NAMED FOR SPELLING BEE

Mrs. H. R. Matthews, English instructor at the Training School at Western Teachers College, has been chosen to pronounce the words for the annual county-wide spelling bee scheduled for 9:30 o'clock Saturday morning at the Court House.

W. M. Willey and G. E. Ferren have been named by Warren County School Superintendent Everitt Witt as two of the three judges to serve during the competition of various school spelling champions of the county.

JOE COOK REPORTS THEFT OF TWO SUITS

Joe Cooke, Western's alternate captain-elect and All-KIAC griddler this season, reported Saturday that two suits had been stolen from his home in Cherryton.

Mr. Cooke states that one of the suits was light brown with checks and one dark gray.

Ralph Dudgeon is Western's number one tennis player.

Narrow Escape for 3 Boys

A pilotless army observation plane plummeted earthward at Bellemore, L. I., and struck the home of Louis Seltman. Luckily for the lives of Seltman's three sons, the heavy motor and cockpit broke off when the craft hit the roof. Only the wing and the fuselage (protruding crazily above) crashed into the room where the boys slept. None was seriously hurt. Lieutenant T. F. Moorman, on a weather study flight, bailed out when the plane caught fire.

FIRST SERIOUS RIOT OF AUTO STRIKE!

Amid choking clouds of tear gas, police and General Motors guards here battled savagely with a crowd at a Fisher Body plant in Flint, Mich., after an attempt had been made to rush food to sit-down strikers in the plant. Combatants holding handkerchiefs to their faces are shown as they surged forward, clubs and guns being used in the fight. Broken windows can be seen in the plant.

In an outbreak that caused the first bloodshed in the General Motors strike, rioters here are shown as they overturned a deputy sheriff's car near a Fisher Body plant in Flint, Mich. The occupants scrambled to safety as the melee raged, with guns, clubs, and tear gas brought into play. Flint police and company guards battling the crowd. Eighteen men were injured in the conflict.

WESTERN WINS TWO ON WEEKEND TRIP

Howard and Sewanee Are Defeated by Comfortable Margins

The Sewanee basketball quintet lost its third game of the season Saturday night, bowing to Western Kentucky Teachers, 48 to 22 in a fast, offensive game.

Saddler, expert marksman of the local five, led the attack with six field goals and six fouls for a total of 18 points.

The Teachers cut loose with a dazzling offensive and ran up an 18-1 lead before the Tigers could get going.

Saddler, who played high school basketball on an outdoor court at Summershade, Ky., until last year, missed only two shots from the floor in the first half. He played only a short time in the second period.

The 400 fans present, including the Rt. Rev. Theodore Bratton, Episcopal bishop of Mississippi and chancellor of the university, went away proclaiming the visitors one of the smoothest combinations seen here in many years.

The Tigers made their only threat early in the second half when Shelton, veteran forward, led the attack to run the Sewanee total to 18 as against the Teachers' 28. That was the closest the "Mountain" five came to overtaking the Kentuckians.

This rally was cut short when Shelton was ejected for exceeding the personal foul limit. He was followed out of the game a few minutes later by Luce, varsity guard.

Captain Reed, an All-S. I. A. A. pick in 1936, proved a smooth playing mate for the brilliant Saddler in the rout of the Sewanee quintet, which previously had lost to Hiwassee and Emory and Henry University.

Coach Allen Lincoln, in an effort to get on the right side of the ledger started Sugg Keiser, football end, at center, instead of the reliable Rupert Colmore, All-Southeastern Conference tackle, who was shifted to guard, but the visitors had too much class in both offensive and defensive maneuvers for the Sewanee clan.

DIDDLEMEN AGAIN KIAC CONTENDERS

The hat of a new challenge — Western Teachers of Bowling Green—was in the K. I. A. C. basketball ring of championship contenders yesterday.

Making their conference debut, the Hilltoppers smashed Berea College's Mountaineers, 40 to 25.

Meanwhile, Morehead's powerful Eagles, roosted atop the standings with Eastern by virtue of their 35 to 30 triumph over a hard-fighting Kentucky Wesleyan five. Arnszen led a late rally that pulled the game out of the fire for the Eagles.

In non-conference games, Kentucky teams divided a pair of tilts with foreign foes, while Louisville University turned back Hanover College, 33 to 24, for the second time. Union College was overwhelmed by Marshall College of West Virginia, 35 to 56.

HILLTOPPERS GET FIRST KIAC WIN

Berea Victim of Western in 40-25 State Victory

Coach E. A. Diddle's Western Hilltoppers racked up their first KIAC win of the current basketball season and their third against college opposition in a 40-25 victory over Berea College on the Mountaineers' floor Monday evening.

After a lead swap several times in the early portion of the game, the Hilltoppers went ahead to stay and, at halftime, were on top of a 21-13 score. Diddle's boys increased the lead coming back at the beginning of the second half and were never seriously threatened.

Harry Saddler and Red McCracklin divided 22 points equally among themselves, and Ralph Dudgeon came in for second honors with a 10-point total.

Western played its fourth game in six days last night at Murfreesboro, Tenn., against the Middle Tennessee Teachers. The game was the Hilltoppers fourth successive road appearance.

A two-game home stand will be opened Saturday, when the Toppers take on the University of Louisville in opening game on the home floor.

HERE 'N' THERE

(Continued From Page Five)

that the old saying "Crime doesn't pay" is still true. It seems that his attending the dance with Marge was such a social event that it made the home-town papers—and that is another story.

Why are all the girls moving away from the yellow stucco. Can it be that they didn't like the complaints that the landlady made?

Ah, my friends, things are not what they used to be. Can't you imagine the snorts of derision of such members of the old guard as

Zack Alvis and John Blackburn when they learn of our Pinkey Green. Pinkey suddenly got the idea to go possum hunting at one o'clock Saturday night. Now that, by itself, was a noble idea; we used to throw some mighty well possum hunts. However, there the comparison ends for Pinkey actually returned with a possum. Why in the old days if we had seen a possum on one of our hunts we wouldn't have had the slightest idea what the critter could have been. Yes sir, folks, "things shore ain't like they used ter be."

Pinkey must have been mighty proud of that possum for he tried to put it to bed with everybody in the house where he stayed.

A hobby is a wonderful thing. A pleasant pastime in youth and a source of solace in old age. It doesn't make any difference what you collect; it is the collecting itself that furnishes the pleasure. The most trivial item may be used as the basis for your collection. Now, for instance, you take the collection of Pinkey Sebastian and Aileen Brewer. Their hobby was collecting glassware and they derived untold pleasure collecting their rare old pieces of glass. Of course, they had to dispose of them hurriedly Sunday morning but as I said before, it is the collecting itself that furnishes the pleasure.

Red Todd and Jane Kopel are thinking of lodging a complaint with city officials about the condition of the town's (?) streets. They became stuck in the mud last week while taking a pleasure trip about the city and needed a wrecker to pull them out. Better think twice

before you make that complaint, Todd, for naturally they will want to know the exact location of the incident and then wouldn't you be embarrassed?

The wings of quite a number of social butterflies were clipped during the holidays.

The officials of the Nut Klub are to be complimented on their dance last Friday night. I asked Charlie White who the president was and he assured me that Buster Pearson was.

The next big affair will be that night of gaiety that the semester ends and the Kentucky Klub has its dance. The dance they gave last year at the same time was quite a success as was their tea dance before the holidays.

Why was it that Elaine Hodge hated so to come back to B. U. after Xmas? Can it be that Weldon Easley, the boy back home, had anything to do with it. If he did, Pinkey Green is being taken for a one-way ride. He has almost become a permanent fixture at her boarding-house.

The demon of the roller rink John Gilliken.

The hottest brass section in town is not booked with any of the local orchestras. I refer to the trombone trio of Richey Barnes and myself. We have progressed in our lessons and are soon thinking of giving a public exhibition. Guest of honor of course will be Connie Thompson as she is the only one we know who truly appreciates dexterity in the

manipulation of the slip-horn.

This trio met Tuesday afternoon and with John Hawley formed an organization known as "The Sucker Club." Requirements for membership are that you have been stood-up, late-dated on, or in any other way taken over the hurdles by the wily Connie. Our membership is expected to increase by leaps and bounds as Connie makes the rounds.

The minutes of the first meeting read as follows: "It was moved, seconded and passed that the club should honor its founder with some token of its esteem." Accordingly, Miss Thompson was presented by a uniformed messenger with a beautiful box of the town's choicest wilted vegetables at 6:10 p. m. Tuesday night.

EMBLEM OF UNCEASING CARE

"Long life and prosperity!" That is the toast of the New Year.

And it is the toast of our American railroads, for—factors other than transportation being equal—their travelers live the longest and their shippers suffer the least from loss and damage. • That well-known motto "Safety First!" is derived

from the opening rule in the book of railway operation: "Safety is of the first importance in the discharge of duty."

• Railway safety is enhanced by strong track, automatic train control, electric block signals, improved braking, special safeguards on trains, constant inspection and repair of equipment, constant schooling of the men at work. • As a result, on the travel side alone, 99 of the 142 principal American railroads recently completed 15 years with not a passenger fatality in a train accident—this despite the movement annually of hundreds of millions of passengers billions of miles. The Illinois Central is now in its ninth consecutive year of similar safety to passengers. • Protection of freight, as measured by claim payments, is likewise at a high standard, the loss declining in recent years to considerably less than a dollar per revenue car.

REMINDER . . .

Safety, like charity, must begin at home if patrons are to be protected in their lives and property. I am especially proud of the fact that thousands of Illinois Central supervisory employees hold cards testifying to years of clear safety records for the men under their direction.

"Stand Up and Cheer" War Cry of Cheer Leader

Rassinier Wants "Cheery New Year" to Be Started Saturday Night When Western Plays University of Louisville Here in First Local Game

By EDDIE RASSINIER

On Nov. 5, 1936 this paper ran an article which was my attempt to tell the majority of the students of Western just how lousy they were as a cheering section. The following morning at a pep chapel, we pleaded with you to pep up and put a little support behind your team. The coaches told you of the importance of a good cheering section; the captain of the team stated, as a player, what the cheering section meant to him—and on Nov. 7; the day that we played Howard College we received the best support of any game of the year. So we wish to take this opportunity to thank each and every one of you who were responsible for this support.

However, this Saturday, Jan. 16 we open the home season of basketball by playing the University of Louisville. Up to this date we have had an excellent record for a college of our size and taking into consideration our opponents we have a team well worthy of every student's support. Come out and warble until the rafters in the gym play "Stand Up and Cheer." Don't be afraid that you'll injure that babbling baritone or tinny tenor voice of yours. Next week is the week previous to exams and you

need to listen more than you do to talk, any way. Then be there and make a joyful noise.

And about organization: There will be one section roped off for the students of Western. If you want to support your team and show a little spirit of the hill, get together in that section and cut loose. You don't have to yell only when we're making our feeble effort; to lead you, sing out—show a little originality and initiative. Everybody appreciates a bit of humor, at times, and we're certainly not going to attempt to suppress it. (The little matter of initiative does not include the gentle art of booing. As to this, show a little sportsmanship—you might be a referee, sometime, yourself.) Then again, this section will not be limited to students of Western. Anyone with a big mouth and a large way who feels the urge to exercise their vocal chords until exhausted, more or less, is entirely welcome. So all you native lads, lassies, undergrads and alumni who have a wee small tender feeling down in the center of the cardiac region toward the old "Red and Grey" step out Saturday night and express your emotions.

One other word about another little matter. If, after the games, you all believe that we, as cheer leaders, are the worst that you've ever seen, how about forgetting to make a point to tell us. We always have and always will appreciate constructive criticism, but it's a bit disheartening to have one thousand, nine hundred and seventy-two students single out each and every one of us just to tell us that we're not worth a d—n. In the first place, we've been told enough times to know it, and in the third, what we want to know is: how can you help us to improve? Now, how about it?—If we do slip up and improve a little on one game, we don't mind you telling us—that's just human. But it really doesn't help matters to have all of you try to see who can put the most cuss-words in a speech impressing just how lousy we are. But enough of that—we're gonna try our hardest during this coming season and we need and appreciate your full support.

Let's start the "cheery" New Year off with a bang with everybody turning out for the game Saturday night with but two thoughts in your mind; support the team and—"Stand Up and Cheer."

WESTERN SENIORS WILL RECEIVE NEA JOURNALS AND FREE MEMBERSHIP

Dr. Earl Moore, sponsor of Western's senior class, has announced that Joy Elmer Morgan, editor of the National Education Association of the United States Journal, has forwarded to him enough issues of the January Journal to give one to each Western senior. Also membership cards and leaflets, "Your Profession in the Making" have been received.

When the membership cards are properly filled out and returned to NEA headquarters, the student automatically becomes an NEA member. Mr. Morgan explains that this student membership plan costs the student nothing. In the event that student-members enter the teaching profession, they are required to pay the same membership fee as other bona fide members.

Millard Quillian, president of the Senior Class, urges that all seniors be present at the last class meeting of the semester which will be held this afternoon at 4:15 in the Little Theatre.

COLLEGE HI TO HAVE INTRAMURAL PROGRAM

Arnold Winkenhof, football coach and athletic director at College Hi, has announced that organized intra-mural basketball teams will operate among the Junior and Senior High School students during the season.

The Junior High School teams are to compete on Mondays and Fridays while the Senior Hi boys will clash on Tuesdays and Fridays. Wednesdays are "lecture" days when new plays will be explained to the players.

The purpose of this campaign is to develop material for the College Hi basketball team and also to furnish activity for football players and those not trying out for the various high school teams.

Western Physical Education majors will assist "Winky" as referees, timekeepers and in various other capacities.
